Dear Hal:

Got your thoro BALLGRAM in the mail today... That was a dynamite letter you sent him...I don't think you'll get a response, but one never knows... Interesting note...his office called during the week and asked for a copy of the tape (which I did send out of course). [redacted] indicated that it would be typed out once received. No doubt your letter (and others) might have been received in protest. I have not heard anything more about a possible Lane invite but will keep my ear to the ground...With the tape I sent, I also requested a "personal and lengthy" interview.. Let's see how that fares after doing him the favor of sending the tape...If he agrees, I will be in phone touch for some key interview areas...

The attached speaks for itself and sounds awfully nutty to me...what do you think?

Best to you and Lil,
